## Series A Competitors

---

Please make sure you read and understand Sailing Instructions A.3 (Courses) and A.8 (Direction of Rounding) and the following point: EXCEPT THAT IN COURSES G AND H MARK 1A SHALL BE ROUNDED IN THE OPPOSITE DIRECTION TO THAT SIGNALLED.

We have a big entry so for this year in order to improve separation of fleets we have introduced new courses (G & H) which we intend to use for Events 6, 7, 8 – The Asymmetric, 29er and RS200 fleets.

By giving these fleets a different windward mark it will make for a safer bear away rounding and kite hoist away from and in a different direction to the other fleets in Series A.

Please be sure to check your signalled course each day. In some wind directions it may not be possible to use these new courses.

I hope your all have a great regatta and look forward to seeing you all on the water.
